a. Items Pulled from April 7th Consent Agenda

iv. Approve RPBCWD 2020 Annual Report for distribution to BWSR and the DNR.

[Approved on April 7, 2021, as part of the Consent Agenda. Managers requested an opportunity to provide comments on the annual report.]

President Ward said he has edits and suggestions. He proposed having all the managers provide their comments and edits to Interim Administrator Jeffery and Ms. Amy Bakkum to synthesize. The managers talked about the idea and the idea of changing the tone of future annual reports to be less technical. Manager Koch recommended the Board set a continuation of this meeting to talk about the synthesis of comments.

The Board agreed by consensus to set Tuesday, April 20 at 10:00 a.m. for continuing the Board's April 7th meeting to continue the discussion on District's annual report. The Board agreed by consensus that managers would forward comments on the draft annual report to District staff by 9:00 a.m. on Friday, April 16.

h. Selection of Consultants

Manager Koch recommended the Board focus on selecting an HR consultant and an IT consultant. He suggested the District redistribute the request for proposals and direct staff to figure out a way to get a better response because the District didn't receive enough proposals for HR, IT, legal, banking, accounting, and audit services. The Board approved by consensus to direct staff to redistribute the request for proposals for all services except for engineering. Interim Administrator Jeffery requested managers forward to him their suggestions on places to send the RFPs.

Manager Pedrsen suggested the Board discuss and decide on the engineering services. Interim Administrator Jeffery clarified that only two firms, Barr Engineer and EOR, submitted a proposal for being the District Engineer and additional firms proposed being part of the District's engineering pool.

Manager Ziegler moved to select Barr Engineering as the District Engineer and to select EOR, SRF, Houston, and ISG for the District's engineer pool. Manager Crafton seconded the motion.

Upon a roll call vote, the motion carried 5-0 as follows:
