

## Fall 2023 Project Tour - Agenda

When: Tuesday, September 26, 2023

Time	Tour Site	Address/Parking
3:15 pm	<b>STOP 1 – Scenic Heights Elementary:</b> Habitat restoration	We will park along Nantucket Road and walk south into the restored forest/prairie on school property. Use <a href="#">5575 Nantucket Road, Minnetonka</a> , to navigate to location. <b>Residential street: Please don't block driveways.</b>
4:00 pm	<b>STOP 2 – North Lotus Lake Park:</b> Typical turf + future concept	Meet in parking lot at <a href="#">295 Pleasantview Road, Chanhassen</a> . Group will walk into the park to discuss existing condition and potential concept for a stormwater management feature as an amenity.
4:30 pm	<b>STOP 3 – Greenwood Shores Park:</b> Degraded woodland example	Group will park in the gated parking lot (with special permission from the City) at <a href="#">7110 Utica Lane, Chanhassen</a> . The stop will include a walk into the nearby woods.
5:00 pm	<b>STOP 4 – Temple of Eck property:</b> Old field example	Group will drive into parking lot at the <a href="#">Temple of Eck, 7450 Powers Blvd, Chanhassen</a> . <b>This will be a quick stop/drive-through with everyone staying on the tour bus — separate drivers may want to skip Stop 4 and continue to Stop 5.</b>
5:15 pm	<b>STOP 5 – Riley Creek Conservation Area:</b> Managed woodland	Park in parking lot for conservation area at <a href="#">9795 Canopy Trail, Eden Prairie</a> . Group will take trail from lot into woods.
