FINISHES:

Fabric, Laminate & Paint: Standard selections included in pricing, unless noted otherwise.
(Customer Choice from ABF selection).

***Please note:** Many commercial fabrics are subject to what is termed *moisture regain*. This is a process by which the fibers within a particular fabric absorb moisture from the surrounding environment resulting in temporary relaxing (or sagging) of a fabric's appearance. This sagging is not the result of misapplication, but rather the fabric's natural reaction to fluctuations in ambient humidity levels.

- *Pricing valid for 30 days from proposal date.
- *Pricing subject to unforeseen manufacturer imposed tariffs, price changes, and fuel surcharges
- *Products quoted are based upon most current field dimensions available. ABF will attempt to verify field dimensions as construction progress and circumstances allow. Should it be necessary to place orders prior to the availability of verified field dimensions, customer may be responsible for associated costs.
- *All sales are final. Unwanted product may not be returnable, or subject to re-stock charges.
- *Charges may be applicable should storage of purchased product be necessary beyond initially scheduled timeframes.

- *Customer will be responsible to have all miscellaneous items cleared out prior to installation.
- *Delays created by customer or other contractors may create additional labor charges.
- *Labor is quoted as a one phase project. (split dates will require additional charges).
